

Scarborough Subway Extension

Our neighbours west of McCowan circulated the attached Open Letter to every home in Glen Andrew.

Over 420 homeowners have signed and returned the letter from all over Glen Andrew. They're sending their message to the TTC:

- **No 'work site' in our neighbourhood!**
- **Find a better way to bring the subway to Scarborough Centre!**

We urge North Bendale homeowners to join them.

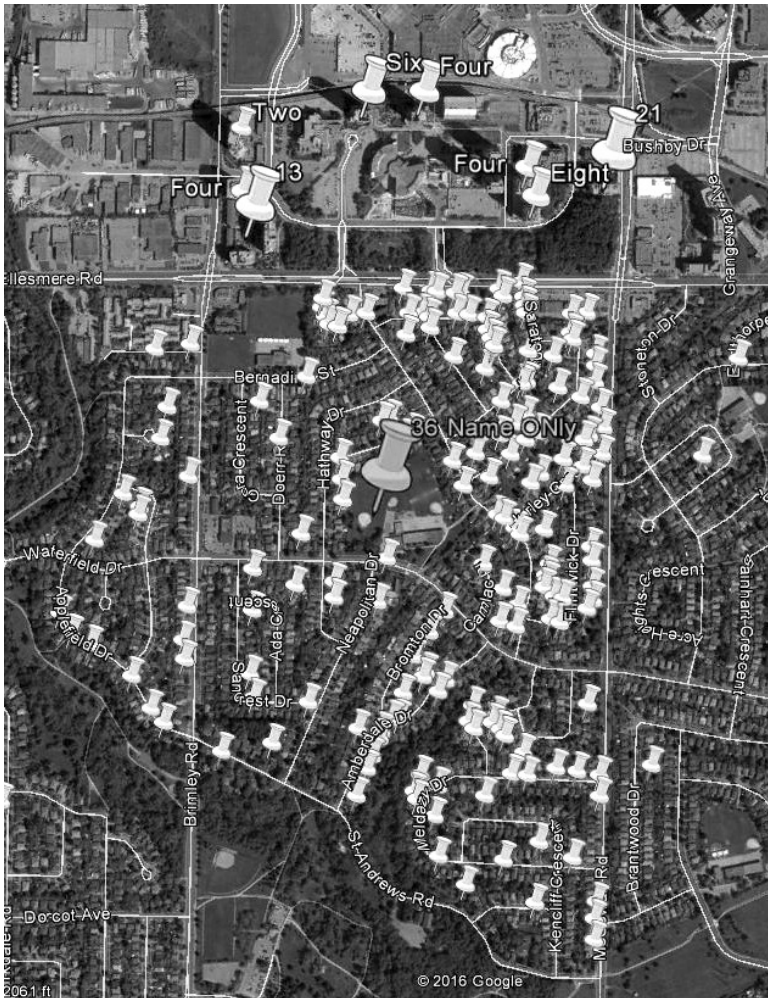

- 1. Write your name and address on the attached Open Letter to the TTC.**
- 2. Walk it over to any of the North Bendale addresses shown on the back and put it in their mailbox.**
- 3. We'll get your message to the TTC.**

There's lots more information on the Glen Andrew website.

Just Google search Glen Andrew Community Association. When it comes up click on Scarborough Subway Project. Click on the pictures to enlarge them.

Here's where you can drop off your Open Letter to the TTC once you've ticked the box, signed it and written in your address:

- **3 Berkham Road**
- **80 Lynnbrook Drive**
- **Mailbox at west entrance to the tennis courts**
- **193 Lynnbrook Drive**
- **6 Monmouth Court**
- **25 Baybrook**

Here's how many people signed the Open Letter to the TTC in Glen Andrew. Every pin is a Glen Andrew household.

It looks better in colour on the Glen Andrew web site.

Come on North Bendale neighbours.

- **Protect your home.**
- **Protect your neighbourhood.**
- **Sign the letter.**

To stay informed on this very important issue please register for North Bendale Community Association's email distribution list at
